P.L. 2019, C.127 (LFN 2019-02 1/23/19)**

P.L. 2018, c. 127 establishes a prompt payment requirement that applies to goods and services contracts a contracting unit awards to a "business concern" under the Local Public Contracts Law (LPCL). The law applies to all goods and services contracts awarded on or after February 1, 2019 (the law's effective date) regardless of dollar amount and any contracts requiring either a single payment or multiple payments. The law does not change the prompt payment requirements for improvements to real property and structures as set forth in N.J.S.A. 2A:30A-1 et seq. and described in LFN 2006-21. The law defines "Business Concern" as any person engaged in a trade or business, including a private nonprofit entity operating as an independent contractor, providing goods and services directly to a contracting unit or to a designated third party and operating pursuant to a contract with a contracting unit which requires either a single payment or multiple payments, but shall not include a "public utility" as defined in N.J.S.A. 48:2.13.

2.11.1 Use of Sub-consultants

Respondent may find it advantageous to include sub-consultants in their proposal. Such an arrangement is acceptable provided that the relationship between firms is clearly defined and the method of maintaining proper project management and oversight is described within the proposal. The use of sub-consultants is left to the discretion of respondent, provided that the criteria of adequate capability in all areas of the scope of work is met. Any sub-consultants must be identified in the same manner as the primary consultant.

2.12 Failure to Enter Contract

Should the respondent, to whom the contract is awarded, fail to enter into a contract within ten (10) days, Sundays and holidays excepted, the owner may then, at its option, accept the proposal of another respondent.

It is hereby understood and mutually agreed, by and between the respondent and the owner, that the date on which the work shall be substantially complete as specified in the RFP is an essential condition of this contract. It is further mutually understood and agreed that the work and contract time embraced in this Contract shall commence on the date specified and that the resulting contract shall be completed in sequence and time frames identified by the owner.

of the termination. Such termination shall relieve the owner of any obligation for the balances to the contractor of any sum or sums set forth in the Contract.

The contractor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision.

In case of default by the contractor, the owner may procure the articles or services from other sources and hold the contractor responsible for any excess cost occasioned thereby.

2.16 Non-Allocation of Funding Termination

Each fiscal year payment obligation of the Owner is conditioned upon the availability of Owner funds appropriated or allocated for the payment of such an obligation. If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the Owner at the end of any particular fiscal year may terminate such services. The Owner will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. This provision shall not be construed so as to permit the Owner to terminate this Agreement during the term, or any service hereunder, merely in order to acquire identical services from a third-party contractor.

2.17 Force Majeure

Neither party shall be responsible for any resulting loss or obligation to fulfill duties as specified in any of the terms or provisions of this Agreement if the fulfillment of any term or provision of this Agreement is delayed or prevented by any revolutions, insurrections, riots, wars, acts of enemies, national emergencies, strikes, floods, fires, acts of God, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of this Agreement is delayed or prevented by any court order, or action or injunction or other such agreement, this Agreement shall become voidable by the Somerset County Park Commission by notice to each party.

2.18 The owner and the Contractor each bind themselves and their successors, executors, administrators, heirs and assigns and legal representatives of the other party respecting all covenants and agreements and obligations of this contract.

2.19 The terms of this contract shall be construed and interpreted, and all respective rights and duties of the parties shall be governed by the laws of the State of New Jersey.

2.20 Challenge of Specifications

Any respondent who wishes to challenge a specification shall file such challenge in writing with the Purchasing Agent no less than three (3) business days prior to the opening of the RFP's.

Challenges filed after that time shall be considered void and having no impact on the owner or the award of contract.

2.21 Payment

Invoices shall be submitted monthly and must specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed, all backup documentation (mileage, time logs, receipts for expenses, etc.), amount remaining in total balance, and the Proposal Cost Form.

Somerset County Park Commission will provide a sample Progress Report and Invoice for the Hired Consultant to ensure compliance.

The owner may withhold all or partial payments on account of subsequently discovered evidence including but not limited to the following:

- 1 Deliverables not complying with the project specification;
- 2 Claims filed or responsible evidence indicating probability of filing claims;
- 3 A reasonable doubt that the Contract can be completed for the balance then unpaid.

When the above grounds are removed, payment shall be made for amounts withheld because of them.

Invoices shall specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed and the Proposal Cost Form.

2.22 Non-payment of Penalties and Interest on Overdue Bills

Public funds may be used to pay only for goods delivered or services rendered. Somerset County Park Commission will not pay penalties and/or interest on overdue bills. No employee is authorized to sign a letter of credit or any other document that represents a legal commitment on the part of the Somerset County Park Commission to pay additional fees.

2.23 Ownership of Material

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the contractor for the purpose of assisting the contractor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract.

Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner. All data, reports, computerized information, programs and materials related to this project shall be delivered to and become the property of the owner upon completion of the project. The contractor shall not have the right to use, sell, or disclose the total of the interim or final work products, or make available to third parties, without the prior written consent of the owner. All information supplied to the owner may be required to be supplied on CD-ROM/USB flash drive media compatible with the owner's computer operating system windows based, Microsoft Office 2010.

Under state and federal statutes, certain government records are protected from public disclosure. The Somerset County Park Commission, the Contractor and any Subcontractors have a responsibility and an obligation to safeguard from public access an employee's personal information with which it has been entrusted when disclosure thereof would violate the employee's reasonable expectation of privacy. All payroll, personnel and health insurance related files are confidential.
