### General Conditions

- Horses are rented by the hour.
- Reservations for hacking are not available; all hacking is on a first come, first served basis.
- Riders may not rent a horse more advanced than their riding ability. For safety, riders should choose a horse that is compatible with their riding level, ability, and weight, according to the hack list.
- LSS reserves the right for staff to deny the rider a horse if, in their judgment, there is a question as to the horse's ability (weight or otherwise) to safely carry the rider. A rider's weight may be verified by a scale in the office.
- LSS staff has the authority to refuse to rent a horse, or require a rider to dismount and return the horse to the stable, if a rider is determined to be incapable of safely riding/controlling a horse or refuses to follow the instructions of LSS staff.
- Misuse or inhumane treatment of a horse is not tolerated by LSS.
- The indoor ring is available during hacking hours unless otherwise noted.
- Outdoor rings and trails are open if weather and ground conditions are suitable. Special events may necessitate closure of the trails on certain days as indicated on the hack schedule.

- Trail guides are available on Sundays for riders without trail cards. Trail groups go out on the half-hour with a minimum of two hackers per group. The group will ride to the ability of the lowest level rider.
- All hacking may be cancelled if the temperature is below 20 degrees Fahrenheit or the apparent temperature exceeds the caution level.
- To receive in-county rates, riders must present proof of Somerset County residency each time they come to ride. Valid forms of proof include driver's license, motor vehicle registration, or local tax form.

If you have individualized needs due to a disability, please call 908-526-5650 and we will be happy to arrange reasonable modifications. Three weeks notice is required to ensure that appropriate modification can be provided.
