

Little Wigglers - How to Make Your Own Composting Bin

Saturday, May 27, 2017 10am – 12pm

Fee: \$18 per child, ages 5 – 12

(limit 10 children and must be accompanied by an adult)

Vermicomposting is the term used for composting with worms. In this fun and educational workshop, children will assemble their own 'take home' worm bins; learn the basics of vermicomposting; and the benefits of recycling their kitchen scraps in order to make compost. All supplies will be provided. Please meet at the Colonial Park Gardens Stone Cottage, Parking Lot A. For additional information and/or to register, please call 732 873-2459 ext. 21 or visit www.somersetcountyparks.org.
