

SENSE AND SCENTS-ABILITY: THE EXOTIC WORLD OF HERBS AND SPICES

Saturday, August 5, 2017 11am–2pm (rain or shine)

Begin the day with a tour of the Fragrance and Sensory Garden at 11am and learn about the many plants that highlight this beautiful garden. Following the tour, there will be a special lecture at noon by David Hyde of Well-Sweep Herb Farm, known for having one of the largest collections of herbs and perennials in the country. Explore the fascinating world of herbs and their unusual fragrances and flavors; experience tasty basil, exotic jasmines and unique ethnic varieties. This introduction will cover the lore and history of common and unusual herbs known for their culinary attributes, scents and uses. Growing tips, requirements and the best culinary choices will be presented. Learn how easy and beneficial herbs are to grow and enjoy - come experience their delight! For additional information, please call 732 873-2459 ext. 21, or the Relay Service at 711 for individuals with a hearing and/or speech impairment or visit www.somersetcountyparks.org. If you have individualized needs due to a disability, please call the Therapeutic Recreation Department at 908 526-5650 and we will be happy to arrange reasonable accommodations. Three weeks notice is required to ensure that appropriate accommodations can be provided.
