

Attention Winter Riders

If a class is cancelled due to inclement weather, the rider must call in to find out. Normal office hours are from 9am-6pm. If the phone goes into the greeting please press *32 for weather announcements.

Please do not leave messages to call you back as we will not be able to do so.

If cancellations are necessary, classes will continue the following week and not just go to the end of the lessons. If you sign up for the second 5 weeks only, please call in to find out if you are starting on the correct day.

It is possible that it could be moved back due to earlier cancellations.

Thank you for your cooperation.

Lord Stirling Stable
