

Non County ID Cards

Non County ID Cards are available for purchase. **The “cards” are a way for our riders who do not reside in Somerset County to pay a lower price for group lessons.** Non-lesson NCID prices are lower than the regular non-county prices, yet still greater than in-county (residents of Somerset County) prices. The cost of each “card” is \$170, and the card is effective from Spring Session through Winter Session. The cards are rider specific (purchase a card for each rider, not one for an entire household). If a rider purchases a card, he/she pays lesson prices that are lower than the non-county prices, yet still greater than in-county (residents of Somerset County) prices.

Riders do not receive a physical card, but the new non-county ID prices will be linked to the rider for whom the card is purchased and will be loaded into our system. The correct prices will apply even if a rider registers for classes online.

The cards apply to group lessons and not camps or other programs. The amount of money which a rider will save by purchasing a card is outlined below:

When Purchasing a Non-County ID card, notice that the card begins to pay off during the 3rd 10 week class session (5th 5 week class session). The more you ride, the more you save! The card is valid from Spring Session 2019 through Winter session 2020. It applies to group lessons.
