POLICIES

Annual Information Form/Release & Waiver Form

In an effort to maintain current personal information about each participant, everyone must complete an annual information form. You are asked to complete it fully and return it to the TR office. Once each year, in January, we will ask you to update the form, and whenever you have new information (such as a new doctor or a change in medication) or have a change in medical status, we ask that you notify us immediately. Additionally, a current Release, Waiver and Participation Agreement Form must be on file.

Financial Assistance

Through the Somerset County Park Foundation, a scholarship/financial aid fund has been created for individuals who cannot pay the entire amount due for a program. To request assistance contact the TR Department to find out more information regarding this procedure and requirements. Minimum contribution will be required.

Payment Policy

All program fees are due when registration is submitted. If necessary, please discuss a possible payment schedule with the TR office. Failure to pay these fees can result in suspension from programs during a season. The participant and/or guardian is responsible for paying the entire program fee regardless of the participant's attendance. **A fee may be charged for all returned checks.**

Refund Request

The Somerset County Park Commission will refund registration fees due to illness, injury, or other extenuating circumstances which makes participation in the program impossible, providing that prior to the start of the program notification is given to the TR Department. Furthermore, if we find the program requirements are not commensurate with the abilities of the registrant, a refund for the program will be given. Refunds will be prorated in accordance with the number of sessions/classes attended and supplies/tickets already purchased. Refunds for other reasons may be granted if the program has not yet begun and another program registrant enrolls. No refunds for absences.

Canceled Programs

A minimum number of participants is required for each program. A program may be canceled if this number is not reached. A program reimbursement or credit will be issued. If a program is canceled because of unforeseen circumstances, you will be contacted as soon as possible and a program credit or refund will be issued.

Closed Programs

If a program closes because we have reached maximum enrollment, your name will be put on a waiting list and you will be contacted if space becomes available.

Behavior

Participants who are physically or verbally abusive to themselves or others will be suspended from the program and participation in future programs will be limited.

Inclement Weather

If at all possible, TR staff will call your home if a program is canceled due to inclement weather. For further information, you may call the TR office for a recorded message.

TR staff cannot administer medication. Participants must be able to meet their own personal needs and administer their own medication.
