

# Nature Through a Child's Eye

The Environmental Education Center's Children's Art Show: Nature Through a Child's Eye has been featuring artwork from Somerset County students for twenty-nine years. This year, we are proud to continue this inspiring event in a virtual format.

## WEST END ELEMENTARY NORTH PLAINFIELD

**Art Teacher Lisa Cerulo**

*Art students made drawings and animal collages. Materials such as markers and construction paper were found at home and used to make the colorful pieces.*
